SMS Terms & Conditions

These terms apply only to the Integrated Financial Architects SMS messaging program. They are not general website terms or financial advisory service terms.

1. Program Description

The Integrated Financial Architects SMS program provides informational and customer-care messages to individuals who have expressly opted in.

Messages may include:

- Responses to inquiries
- Appointment confirmations
- Appointment reminders
- Reminders for events for which the recipient registered
- Service-related updates

The SMS program is not intended to deliver investment recommendations, trading instructions, account credentials, or other sensitive financial information.

2. How to Opt In

Individuals may opt in through the contact form on our website by:

- Providing a mobile phone number
- Selecting the standalone SMS consent checkbox

The SMS checkbox is optional and is not selected by default.

Providing a phone number without selecting the SMS checkbox does not enroll an individual in the SMS program.

Consent to receive SMS messages is not a condition of purchasing any goods or services.

3. Message Frequency

Message frequency varies based on the recipient's interactions with Integrated Financial Architects.

4. Message and Data Rates

Message and data rates may apply. Charges are determined by the recipient's wireless carrier and mobile service plan.

5. Opting Out

Recipients may opt out at any time by replying STOP to any message.

After a recipient sends STOP, the recipient may receive one final confirmation message stating that the opt-out request has been processed. No additional messages will be sent unless the recipient provides new consent.

Recipients may reply HELP for assistance.

We do not sell, rent, or share mobile phone numbers or SMS consent information with third parties or affiliates for their marketing or promotional purposes.
